

# Ateroklefit Omega-3 Complex

For the heart and blood vessels. Cholesterol and blood pressure are fine.

Thanks to different mechanisms of action, clover, dioscorea and omega-3 in the composition of Ateroklefit Omega-3 Complex enhance each other's action and helps:

- Maintain normal cholesterol levels
- Normalization of lipid metabolism - transfer of LDL ("bad cholesterol") to HDL ("good cholesterol")
- Reduce the risk of developing atherosclerotic vascular changes
- Restoration of blood flow in the vessels
- Maintain normal tone and elasticity of blood vessels, lower blood pressure
- Improve the functional state of the cardiovascular system

# CARDIO ACTIV Omega-3, capsules

Each capsule contains 1000 mg of Atlantic salmon oil with a high concentration of PUFA Omega-3. Helps keep cholesterol levels normal and strengthen blood vessels.

Advantageous price compared to the imported analogue.

Ingredients: Atlantic Salmon Fish Oil, 350 mg in 1 Capsule.

# Double Omega-3 700 mg, capsules

The maximum daily intake concentration of omega-3. 1400 mg of omega-3 in 2 capsules.

The product contains high-quality omega-3 produced in Norway (BASF AG). Recommended for use in pregnant and lactating women.

Promotes:

- improving heart, brain, eyes and joints function
- maintaining the normal level of cholesterol
- radiant beauty of the skin and hair

# Flax Seeds EVALAR, sachets

The richest source of omega-3 and antioxidant vitamins. The flax seed is uniquely rich in omega-3 polyunsaturated fatty acids, dietary fiber, lignans, antioxidant vitamins (A, B, E, P), micronutrients, high-grade vegetable proteins and other biologically active substances. It contains 3 types of valuable polyunsaturated fatty acids, omega-3, omega-6 and omega-9. Flax seeds are 3 times richer in omega-3 than fish oil.

Flax seeds help:

Maintain normal cholesterol levels.

Improve joints mobility.

Ensure regular bowel movement.

Toasted flax seeds from the company EVALAR can be used alone or added to any dish.

Ingredients: Flax Seeds.

# Omega 3-6-9

Super Omega 3-6-9 is a balanced complex of three fatty acids Omega-3, Omega-6 and Omega-9 - which helps:

- improve the functioning of the heart, brain, eyes and joints
- maintain normal cholesterol levels
- promote the beauty of skin and hair
- rejuvenate and improve body health

Each capsule of the Omega 3-6-9 ANTI-AGE Evalar complex contains the following active ingredients:

Cedar Nut Oil (Omega-6, Omega-9)

Flaxseed oil (Omega-3, Omega-6, Omega-9)

Fish Oil (Omega-3)

This combination of ingredients ensures a balanced intake of essential polyunsaturated fatty acids.

# Omega Forte EVALAR, capsules

In contrast to Omega-3 dietary supplements based on fish oil, Omega forte EVALAR is a herbal product. While the content of omega-3 in fish oil is about 30%, the capsules Omega forte EVALAR provide at least 60% of omega-3, almost 2 times higher! The herbal compound additionally contains a more balanced complex of omega-6 and omega-9 fatty acids.

Promotes:

Maintaining normal cholesterol levels

Improving the functional state of the cardiovascular system

Ingredients: Flaxseed Oil, Vitamin E, Selexen.

# Triple Omega-3 950 mg, capsules

The maximum daily intake concentration of omega-3 in 1 capsule. 950 mg of omega-3 in 1 capsule, for convenient intake. The product contains high-quality omega-3 produced in Norway (BASF AG). Recommended for use in pregnant and lactating women.

Promotes:

- improving heart, brain, eyes and joints function
- maintaining the normal level of cholesterol
- radiant beauty of the skin and hair
