

Aqua Master spray

Nasal salt spray at the best price.

A universal remedy for the treatment of any kind of runny nose in case of a common cold or allergy. Gently cleanses the nose of viruses, bacteria and allergens, can be used by adults, pregnant women and children. Suitable for daily hygiene and disease prevention. After the spray is spent, the vial with a detachable nozzle can be used as a convenient appliance for rinsing the nose with the solution of sea salt supplied in a GIFT, at the rate of 1 bag per vial. Advantage: 2 times less expensive than the analogue.

Ingredients: Sodium Chloride.

Chelated Magnesium, tablets

The first chelated magnesium in combination with amino acids, which provides maximum absorption of magnesium. Convenient to take: just 1 tablet a day. Recommended for adults and children from 14 years of age, as well as for pregnant and lactating women.

Promotes:

- stress resistance
- better function of the nervous system, muscles, and heart
- healthier sleep
- easing muscle spasms and cramps

Double Omega-3 700 mg, capsules

The maximum daily intake concentration of omega-3. 1400 mg of omega-3 in 2 capsules. The product contains high-quality omega-3 produced in Norway (BASF AG). Recommended for use in pregnant and lactating women.

Promotes:

- improving heart, brain, eyes and joints function
- maintaining the normal level of cholesterol
- radiant beauty of the skin and hair

Folic acid with vitamins B12 and B6 40 tablets per 0,22 g

A vitamin complex to maintain female reproductive health and beauty. All over the world, including in Russia, 67 to 77 percent of women are facing the deficit of this vital substance. Folic acid is not produced by the body itself, and it is impossible to fill the need in it once and for all. Therefore, we need to replenish its stock on a regular basis. Considering the importance of folic acid and the conditions needed for its better assimilation, the specialists of the company EVALAR developed a dietary supplement, Folic acid with vitamins B12 and B6. The optimal dosage, high quality and affordable price will please every woman and help preserve women's health, which is more valuable than anything in the world!

Ingredients: Folic Acid, Vitamin B6, Vitamin B12.

Fruttilar Vitamins for pregnant women

Folic acid + calcium L-methylfolate, vitamins, minerals, iodine and choline to promote maternal and child health. Easy to take gummy berry chewable pastilles.

The dietary supplement Fruttilar Vitamins for Pregnant Women is intended for women planning pregnancy, during pregnancy and during breastfeeding and is recommended as an additional source of zinc, iodine, manganese, biotin, folic acid, nicotinamide, vitamins A, D, E, C, B1, B5, B6, B12.

The benefits include:

- Convenient route of administration. Easy to take gummy berry chewable lozenges instead of hard-to-swallow pills, especially for an expectant mother suffering from toxicosis. In addition, chewable vitamins and minerals are easier to absorb because they are chewed before being swallowed.
- A readily available form of folic acid - methylfolate at an optimal daily dosage of 600 mcg.

Iron chelate tablets

Readily available chelated iron for maximum absorption.

Promotes:

- maintaining normal hemoglobin levels
- reducing the risk of anemia
- decreasing fatigue and increasing efficiency.
